

Mel Tillis, I'm Tired

Standin' on the corner of a busy street I'm lookin' for your face in every crowd I see
Checking every honky tonk in this town
Tryin' to find the places that you hang around
Oh Lord I'm tired tired of living this a way
Now I've been waitin' on you baby night and day
A wonderin' if your love will ever come my way
But time's runnin' out and I'm a slowin' down tired of being just another hang around
Oh Lord I'm tired tired of living this a way
[fiddle - steel]
Well there ain't no happiness in anything I do
I found myself so lonely when I'm not with you
What makes you just a kinda girl a guy will love
You've got so many others that you're thinking of
Oh Lord I'm tired tired of living this a way
Oh Lord I'm tired tired of living this a way
