

# Mel Tillis, Life's Little Suprises

Woke up this morning, found you were gone;  
sitt'n here wondering where you are.  
Looked in the closet and under the stove;  
checked the garage and trunk of the car.

And I know, any day now;  
you'll be back,  
you'll jump from hiding,  
and then you'll attack;  
You'll laugh and you'll,  
scare the heck out of me;  
Oh how you love;  
Life's little surprises.  
oh how you love to make me go;  
"wheeeeeeee!!!!"

Woke up this morning, found you were gone;  
sitt'n here wondering where you are.  
checked under the bed as quite as a mouse;  
checked all over this whole friggin' house.

And I know, any day now;  
you'll be back,  
you'll jump from hiding,  
and then you'll attack;  
You'll laugh and you'll,  
scare the heck out of me;  
Oh how you love;  
Life's little surprises.  
oh how you love to make me go;  
"Wheeeeeeee!!!!"
