

# Mel Tillis, Lonely Street

Don't know what I'm gonna do since my baby said we're through  
I've really got a case of blue oh I walk the Lonely Street

Ever since she said goodbye all I do is sit and cry  
And that's the only reason why oh I walk the Lonely Street

Well she would give a little I take a lot I really long to have her near  
And it's the truth believe it or not I hate to see a love disappear  
Don't know what I'm gonna do...

Well she would give a little...  
Ever since she said goodbye...
