Melanie C, Aren't You Kinda Glad We Did?

Oh it really wasn't my intention To disregard convention It was just an impulse that had to be obeyed

Though it seems convention we've been scorning I'll still not go in warning Though my reputation is blemished, I'm afraid

With just one kiss What heaven, what rapture, what bliss!

Honestly, I thought I wouldn't Naturally, I thought I couldn't And probably I shouldn't But aren't you kinda glad we did?

Actually, it all was blameless Never the less, they'll call it shameless So let's keep the lady nameless But aren't you kinda glad we did?

Socially, I'll be an outcast Obviously, we'll dine alone On my good name there will be doubt cast With never a sign of any chaperone

No matter how they may construe it Whether or not we have to ruin Whatever made us do it Well aren't you kinda glad we did?

Aren't you kinda glad we did?
