

Melanie C, I Want You, I Need You

I want you (I want you)
I need you (I need you)
Everything that you do
(Everything that you do)
I want you (I want you)
I need you (I need you)
Everything about you
(Everything about you)

Ba ba ba da, ba ba ba dy-yi
Ba ba ba da, ba ba ba dy-yi-yi
(Hi-yi)
Ba ba ba da, ba ba ba dy-yi
Ba ba ba da, ba ba ba dy-yi-yi
(Hi-yi)

I want you (ba ba da, ba da da da)
I need you (ba ba da, ba da da da)
I want you
I want you (ba ba da, ba da da da)
I need you (ba ba da, ba da da da)
I need you

You could be an ocean
Deep enough to swim in (Emma & Mel C)
You could be a mountain (Geri & Mel C)
Climbin' high, reach the sky (Emma & Mel C)
You could be a river
Flowin' through the (Mel C & Victoria) depths of my soul
You could be my heaven
Take me to a place where I know

(When) When you touch me
(When) When you go
(Deeper) Deeper still
(Then) Then I know

I want you
I need you (ha-ahh)
Everything that you do (hoo-oooh)
I want you (ha-oh)
I need you (I need you)
Everything about you

You could be an island (Mel B & Victoria)
I would like to drift away
You could be a (Emma & Geri) picture
I would look at everyday

(When) When you touch me
(When) When you go
(Deeper) Deeper still
(Then) Then I know

I want you
I need you (ha-ahh)
Everything that you do (ooh-oooh)
I want you (ha-oh)
I need you (yeah)
Everything about you

I want you (I want you)
I need you (I need you)
Everything that you do (ooh)

I want you
I need you (I need you)
Everything about

Ooh-ooh-ooh-ooh

I want you (I want you)
I need you (I need you)
Everything about you
