

# Melanie Garside, Has And To Do

and so they talk and try  
step in deeper and burn with the wild  
what has one to do? i reach through your skin to recognise you  
what has one to do? understand the way i was with you  
but you've got a lot to learn it's true  
what has one to do? reach through your loneliness and i try and get to you but  
what has one to do? understand i tried to get to you  
but you've got a lot to learn it's true i tried to get to you it's true  
what has one to do? reach through your darkness and burst out shining blue but  
what has one to do? covered up and smiling blind i run away from you  
but you've got a lot to learn it's true i tried to get to you it's true
