

Melanie Martinez, Pity Party

Did my invitations disappear?
Why'd I put my heart on every cursive letter?
Tell me why the hell no one is here
Tell me what to do to make it all feel better

Maybe it's a cruel joke on me
Whatever, whatever
Just means there's way more cake for me
Forever, forever

It's my party and I'll cry if I want to
Cry if I want to, cry cry cry
I'll cry until the candles burn down this place
I'll cry until my pity party's in flames
It's my party and I'll cry if I want to
Cry if I want to, cry cry cry
I'll cry until the candles burn down this place
I'll cry until my pity party's in flames

Maybe if I knew all of them well
I wouldn't have been trapped inside this hell that holds me
Maybe if I cast another spell
Or told them decorations were in pastel ribbons

Maybe it's a cruel joke on me
Whatever, whatever
Just means there's way more cake for me
Forever, forever

It's my party and I'll cry if I want to
Cry if I want to, cry cry cry
I'll cry until the candles burn down this place
I'll cry until my pity party's in flames
It's my party and I'll cry if I want to
Cry if I want to, cry cry cry
I'll cry until the candles burn down this place
I'll cry until my pity party's in flames

I'm laughing, I'm crying
It feels like I'm dying
I'm laughing, I'm crying
It feels like I'm dying
I'm laughing, I'm crying
It feels like I'm dying,
I'm dying, I'm dying

It's my party and I'll cry if I want to
If I want to, if I want to

It's my party and I'll cry if I want to
It's my party and I'll cry if I want to
Cry if I want to, cry cry cry
I'll cry until the candles burn down this place
I'll cry until my pity party's in flames

It's my party and I'll cry if I want to
Cry if I want to, cry cry cry
I'll cry until the candles burn down this place
I'll cry until my pity party's in flames
It's my party, it's it's my party
It's my party, it's it's my party
It's my party and I'll cry if I want to
Cry if I want to, cry cry cry
