

Melanie Thornton, Intoxicated

music by Bobby Stalker
lyrics by Jay Tee Rogers

Verse 1

Music, wine and candlelight
You know how to please me.
The way you walk - the way you talk
Something turns me on.

You stopped my tears from falling
And showed me how to smile.
When I'm close to you there's nothing else
That I would rather do.

Verse 2

One on one - it's tender love
I'm yearning for your touch.
Your sweet caress, your gentleness
Is what I'm dreaming of.

Chorus

Intoxicated - I'm addicted.
My feet are losing ground.
Intoxicated - I'm attracted.
You turn me inside out.
Intoxicated - I'm devoted
When you touch my soul
Intoxicated - now I know that:
I'm burning for your love!
(I can never get enough - intoxicated)

When you kiss me I'm in heaven.
You make loving fun.
It's pure delight - you do me right -
You know how to love me . . .

Chorus

Bridge

Shower me with your love
You know what I want.
No, I can't get enough - take my heart . . .
I'm addicted to your love!

Chorus
