

# Melanie Thornton, No Tears

Music by Melanie Thornton and Todd Chisolm  
Lyrics by Melanie Thornton

## Verse 1

So long I've waited, patiently  
Did what I was told was best for me  
Blindly I'd follow, trustingly  
And never question why  
Unaware of the power inside of me  
It was a gift of love that was meant to be  
Something shared with the world, faithfully  
It was my only dream

## Chorus

No tears to cry, no sad good-byes  
I'm spreading my wings and I'm ready to fly  
No tears to shed, only happiness ahead  
This millennium will be my time to be free

## Verse 2

Through it all I have grown, no regrets  
I can say I've learned my lesson well  
The struggle and pain I won't forget  
It's made a mark on me  
But with all of the strength I possess  
I've gotta go for the chance of a life so sweet  
No doubt in my mind, I am blessed  
I'm gonna live my dream

## Chorus

### Breakdown

No, no, no tears...  
Oooh I wanted it so bad I could cry  
No, no, no tears  
But when I got it, it wasn't right  
No, no, no tears  
It was somebody else's vision of me  
No, no, no tears  
And now I'm gonna live mine

## Chorus
