

Melanie Thornton, Oooh Oooh (Talking About Love)

No one
Can live without love
Don't you wanna be with me
Setting you free
Someone
Will be the right one
Who can give you love and trust
And maybe it's me

I know what I wanna do
Someday I will be with you
I'll find what I'm searching for
Freedom
I know what I wanna do
You don't need to feel so blue
You'll find what you're searching for
Freedom

I just wanna make oooh oooh
And everything that I do-do
I know it's gotta be you-you
And I just wanna be hi-high
I just wanna make Oooh Oooh
And everything that I do-do

Is gonna make you say Oooh Oooh
I wanna make you feel high, high, high

Talking about love
It's gonna be my love
Come on take my heart and let your sorrows fade away
I'm talking about love
Let's get it together
Come on make your mind up
I need you
I know that I want you

No one
Can live without love
I'm the one to ease your pain
Setting you free

Hold on
I'll be the right one
I can give you love and trust
Do it for me
