Melissa Auf Der Maur, Would If I Could

For today I'm lost without you
Forgot the way to be without you
Without you

Yeah you know I would stay alone
Yes I would if I could stay alone
Yes I would if I could be alone

But for today I'm lost without you
I need a way to be without you (without you)
I need a way to find just a few of you

Yeah you know I would stay alone
Yes I would if I could stay alone
Yes I would if I could be alone
Yes you know I would be alone
Yes I would if I could be alone

Yeah you know I would stay alone
Yes I would if I could stay alone
Yes I would if I could be alone
Yes you know I would be alone
Yes I would if I could stay at home
Yes I would if I could be alone

Remember the day I was lost without you
I found a friend who laughs just like you
Yes I would be alone
Yes I could be alone
Yes I would
Yes I would if I could be alone
Don't you know I would stay at home
If I could I would be alone
