

# Melissa Etheridge, Don't Look At Me

You can try, I don't care  
Forcing circles into squares  
You can spend precious time  
Marching in your perfect line  
But I don't hear that drum  
I'm looking for something else  
And if you don't like what you see  
You don't have to look at me  
If you don't like what I say  
You can turn the other way  
If you don't like what you see  
Then don't look at me  
Add it up, count me out  
I'm taking a different route  
I did not mean to offend  
Before I broke I chose to mend  
So I'll be on my way  
I have nothing left to say  
But if you don't like what you see  
You don't have to look at me  
If you don't like what I say  
You can turn the other way  
If you don't like what you see  
Then don't look at me  
Don't look at me  
Don't look at me  
Oh if you don't like what you see  
You don't have to look at me  
Hmmm  
If you don't, if you don't, if you don't, if you don't like what you see  
Then you don't have to look at me  
Oh you don't have to look at me  
Oh if you don't like, if you don't like, if you don't like  
Then you don't have to look at me
