As Safe And Strong And free, weel
Be in Love And take this Miracle
And Let the Angels sing, Now Romeo
Sends me Love Letters As He tells
Me Hes in Love with me, He Picks
me up And Makes sweet Love to me
the Best Love Iv'e ever seen, my
Love is everything you Want to Keep
Are Hearts As safe And strong And free
weel Be in Love And take this Miracle
And Let the Angels sing, I wakeup with
the Moring sun And my Lover Next to me
its very very simple And clear Just what
your Love is Doing Here, cause my Love is
everything you want to keep Are Hearts As
safe And strong and free, so weel Be in Love
And take this Miracle And Let the Angels sing
oh And Let the Angels sing,
