

# Melissa Etheridge, It Will Be Me

If you hear a voice in the middle of the night  
Sayin' it'll be alright  
It will be me

If you feel a hand guiding you along  
When the path seems wrong  
It will be me

There is no mountain that I can't climb  
For you I'd swim through the rivers of time  
As you go your way and I go mine  
A light will shine  
And it will be me

If there is a key that goes to your heart  
A special part  
It will be me

If you need a friend  
Call out to the wind  
To hold you again  
It will be me

Oh how the world seems so unfair  
Creating a love that can not be shared  
As you go your way and I go mine  
A light will shine  
And it will be me

Past the ever after there's a place for two  
In your tears of laughter  
I'll be there for you

In the sun and the moon  
In the land and the sea  
Look all around you  
It will be me

There is no mountain that I can't climb  
For you I'd swim through the rivers of time  
As you go your way and I go mine  
A light will shine  
And it will be me  
It will be me  
It will be me...
