

Melissa Etheridge, Leader Of The Pack

Oh it's a sad love story
Such a sad love story
Do you want me to tell you about it?
Oh can you handle it?
Do you really want me to open my heart and tell you about it?
I'll have to go back
I'll have to go way back
Way back to the day we met
Oh that very day we met
I remember where we met
1-2-3-4

I met her at the candy store
She turned to me and smiled
Do you get the picture?
I think you do
That's when I fell for the leader of the pack

My folks were always putting her down
They said she came from the wrong side of town
They told me she was bad
But I knew she was sad
That's why I fell for the leader of the pack

Then one day dad said find someone knew
I had to tell her we were all through
She stood there and asked me why
But all I could do was cry
I'm sorry I hurt you leader of the pack

She sort of smiled, she kissed me goodbye
But the tears were beginning to show
As she drove away on that cold and rainy night
If she ever heard me I'll never know
Look out, look out

I felt so helpless what could I do
Remembering all the things we'd been through
At school they all stop and stare
I can't hide the tears but I don't care
I'll never forget you, the leader of the pack

I better look back now, now she's gone
