

# Melissa Etheridge, Love And Affection

I am not in love, but I'm open to persuasion

East or west, where's the best for romancing?  
With a friend I can smile, but with a lover I can hold my head back  
And really laugh, really laugh

Thank you, thank you, thank you baby  
You took me dancing across the floor, cheek to cheek  
But with a lover I could really move, really move  
I could really dance, really dance, really dance  
I could really move, really move, really move yeah

If I can feel the sun in my eyes and the rain on my face  
Tell me why can't I feel love  
Really love, really love, really love, really really love, really love  
Love, love, love, love, love, love, love, love

Now I got all, all the friends that I want  
Oh yeah I may need more  
But I think I'll stick to those that I have got  
With friends I still feel so insecure  
Little darling I believe you could help me a lot  
Help me a lot baby  
Just take my hand and lead me where you will, where you will  
I said no conversation, no wave goodnight

Just give me love  
Make love with affection, sing me another love song  
But this time with a little dedication (sing it, sing it, sing it, sing it)  
You know that's what I like, love, ooh-whoo, once more with feeling  
Oh give me love, give me love  
Oh give me love, love

Make love with affection, sing me another love song  
But this time with a little dedication (sing it, sing it, sing it, sing it)  
You know that's what I like, love, ooh-whoo, once more with feeling

Make love with affection, sing me another love song  
But this time with a little dedication (sing it, sing it, sing it, sing it)  
You know that's what I like, love, ooh-whoo, once more with feeling

Make love with affection, sing me another love song  
But this time with a little dedication (sing it, sing it, sing it, sing it)  
You know that's what I like, love, ooh-whoo, once more with feeling

Make love  
Make love  
Make love  
Give me love  
Give me love
