

Melissa Etheridge, Skin Deep

I ain't asking you to keep no secrets
My reputation already shot
I ain't asking you to commit treason
Just tell me if you like it or not
Like it or not baby that's they way I want it to be
Don't give your heart and soul
My love is only skin deep

I'll give you my time and money
I'll give you somewhere to sleep
But don't ask me for my heart and soul
My love is only skin deep
My love is only skin deep
My love is only skin deep

I ain't looking for no blue-eyed lover
That's what stole my baby away
I can see your eyes are darker than midnight
And that's the time that I want to play
I want to play baby that's they way I want it to be
Don't give me your heart and soul
My love is only skin deep

I'll give you my time and money
I'll give you somewhere to sleep
But don't ask me for my heart and soul
My love is only skin deep
My love is only skin deep
My love is only skin deep

I'll give you my time and money
I'll give you somewhere to sleep
But don't ask me for my heart and soul
My love is only skin deep
My love is only skin deep
My love is only skin deep
