

Melissa, Innocent Peace

(theme: P.G.)

Suffocated with wind of my freedom

I regain my peace

My wounds do not bleed

Anymore

My thoughts do not hurt

Nevermore

My mind - opened, free

now free again

My memories cleaned

cleaned me and killed

The light now so clear

the sounds so pure

Now this is my

Innocent peace

(solo: P.G.)

I managed to make

a step away from myself

No stumbling again,

no falling in pain

Suffocated with wind of my freedom

I regain my peace

My wounds do not bleed

Anymore

My thoughts do not hurt

Nevermore

This is my innocent peace
