

# Mellowdrone, I'm Too Young

I'm too young to fall asleep  
when will the world stop revolving around me?  
i guess it's time that i should learn  
that in the end it really doesn't matter

all the glam and the money doesn't matter much to me  
when i burn in the sun  
and i'll stroll down diamond row, picking flowers as i stroll  
kiss it all good bye

well so, where did i go wrong?  
such sweet disbelief  
your warm skin is always on my mind  
with you i'll release

all the glam and the money doesn't matter much to me  
when i burn in the sun  
and i'll stroll down diamond row, picking flowers as i stroll  
kiss it all good bye
