

Melodifestivalen, Fame - Give me your love

Hoohooh, hoohooh, hoohooh
Haha, haha
Give me your love

Oh, I can be the one you love forever
I can be the dream of your heart
Every single moment
Oh, I'm thinking of you
I wish you felt the same way that I do

Give me your love, give me all of your love
I'm the one for you
And try to believe me I just wanna be
There by your side
Give me your love, give me all of your love
When the morning comes
I'm waiting tonight and it feels so right
Give me your love

You can turn the winter into summer, oh yeah
You can be my wonder every day, mmm hoh...
Every time I see you
I just wanna hold you
I wish you felt the same way that I do

Give me your love, give me all of your love
I'm the one for you (I'm the one for you)
And try to believe me I just wanna be
There by your side
Give me your love, give me all of your love
When the morning comes (Morning comes)
I've waited tonight and it feels so right
Give me your love

Sometimes I think that you're an angel
And it's plain to see that you can rescue me
Rescue me

Give me your love, give me all of your love
I'm the one for you (I'm the one for you)
And try to believe me I just wanna be
There by your side
Give me your love, give me all of your love
When the morning comes (Morning comes)
I've waited tonight and it feels so right
Give me your love
