

Melody Fall, Dead Wrong

I'm on the fence
Does everything always have to make sense?
A black and white picture of us falls down
From a wall that never existed
It's luck of draw, but you had the power to change it all
You didn't, you stabbed me with all your words
That I won't forget anymore I won't forget this
Please tell me I'm wrong
I'm keeping this secret quiet
Don't tell me I'm strong
I never get things all right
Please tell me I'm wrong
And look what you've done to me
Don't tell me I'm strong
your light is still blinding me
Don't turn around my screams are so useless
We're down for count but no one expected me to realize
I'm laying waste on my remorse
It's luck of draw, but you had the power to change it all
You didn't, you stabbed me with all your words
That I won't forget anymore I won't forget this
Please tell me I'm wrong
I'm keeping this secret quiet
Don't tell me I'm strong
I never get things all right
Please tell me I'm wrong
And look what you've done to me
Don't tell me I'm strong
your light is still blinding me
Please tell me I'm wrong
I'm keeping this secret quiet
Don't tell me I'm strong
I never get things all right
Please tell me I'm wrong
And look what you've done to me
Don't tell me I'm strong
your light is still blinding me
