

Memento, Shell

crawl away into the shell you put yourself in
crawl away, I watched you crawl away
not one set of footprints in this burning sand
it fell away, I watched it fall away
who am I in your eyes?
how does it feel?
how does it feel your asking
I cant heal, I cant feel you anymore
I'll never kneel
never kneel before you
how can I heal
when there's blood still on the floor?
in a vacuum screaming
hope was not in season
please hear me, someone hear me
if I could you know I'd take your place my friend
'not again', yes I'll carry you again
who am I in your eyes?
hold on
