

# Memento, Shell

crawl away into the shell you put yourself in  
crawl away, I watched you crawl away  
not one set of footprints in this burning sand  
it fell away, I watched it fall away  
who am I in your eyes?  
how does it feel?  
how does it feel your asking  
I cant heal, I cant feel you anymore  
I'll never kneel  
never kneel before you  
how can I heal  
when there's blood still on the floor?  
in a vacuum screaming  
hope was not in season  
please hear me, someone hear me  
if I could you know I'd take your place my friend  
'not again', yes I'll carry you again  
who am I in your eyes?  
hold on
