

# Memphis May Fire, Miles Away (feat. Kellin Quinn)

I pack my bags and say goodbye to my wife  
For what seems like the millionth time.  
They said it gets easier, but they lied.  
She looks at me and says "really baby, I will be just fine,"  
but then she looks away so I don't have to see her cry.  
And that is when I ask myself;

How am I supposed to be  
Everything they expect me to be  
When I feel so alone,  
because I left my heart at home.  
She needs me, but I know they need me too.  
So God, give me the strength to do what you created me to do.

Really I'm so thankful for the people I meet,  
The places I've been and the things I've seen,  
but when she's not here  
it doesn't feel like I'm living my dream.  
I know they say that no one is perfect,  
but I swear she's perfect for me  
and that makes it so much harder to leave.

How am I supposed to be  
everything they expect me to be  
when I feel so alone, because I left my heart at home.  
She needs me, but I know they need me too.  
So God, give me the strength to do what you created me to do.

If you miss me, I'm just a phone call away.  
Please be strong, be strong for me.  
I need you to show me how to change the inside of me.  
For my heart, for their sake.  
Be strong, be strong for me!

How am I supposed to be  
everything they expect me to be  
when I feel so alone, so alone!  
How am I supposed to be  
everything they expect me to be  
when I feel so alone,  
because I left my heart at home.  
She needs me, but I know they need me too.  
So God, give me the strength to do what you created me to do.
