

Mental As Anything, Mr. Natural

I don't drink, I don't smoke
I don't sniff, no coke
New age, that's me
That's what, it should be

Chorus:

I am Mr. Natural
You can call me Mr. Natural

I don't drive, no car
I live by, the stars
I don't eat, no meat
I am Mr. complete

I am Mr. Natural
You can call me Mr. Natural
I am Mr. Natural

I won't wear, no skin
I don't care, who wins
But I know, that I'm right
I can't give, a time

I am Mr. Natural
You can call me Mr. Natural
I am Mr. Natural
You can call me Mr. Natural

Mr. Natural
Mr. Natural
Mr. Natural
