

# Mental Home, The Euphoria

[Music - Sergey, Roman]

Streams of mist and thoughts  
Suddenly passed away.  
Misgivings of fortunes.  
I'll show you the sealed gate,  
Heaven circles spins you free.  
You feel like a pilgrim,  
Kneeling before the saints,  
And holding Earth in hands.

You've been deep and deeper in the woods,  
The woods, I know, with filth and madness.  
Look the area, emptiness and despair,  
Try to seal your path away.

Just a moment living my life,  
I gave you a piece of my dream.  
I showed you just waterfall,  
Where you live as you fall...

Look the mirror's backside.  
Maybe you'll find your countenance,  
And I bet you will be crying  
Begging me to drag you again.

Just a moment living my life,  
I gave you a piece of my dream.  
I showed you just waterfall,  
Where you live as you fall...
