

# Mercury Rev, Delta Sun Bottleneck Stomp

Sea t' corporal sea atlantic's too specific  
haven't time t'settle sharks infest th' water  
kickin' up th' dust constructin' new ideals  
old ones laid t' rust nothin' seems so real

Slidin' away in a washed out delta sun

Missionaries flood my favorite AM stations  
flowing in their futures washed out in this delta rag  
look th' other way pocket all th' pieces  
tripping up th' strawhat tumble inta th' wind

Slidin' away in washed out delta sun  
Slidin' away in washed out delta sun

Wavin' goodbye i'm not sayin' hello
