

Mercyful Fate, Nuns Have No Fun

Upon a cross a nun will be hanged,
she will be raped by an evil man
Knock spikes through her hands,
things won't come she won't understand

You're a nun you haven't had no fun,
living your life as virgin queen
I'm gonna change it and I'll get it done,
tomorrow you won't be a virgin queen

C. U. N. T.
that's what you are, you're
C. U. N. T. yeah

I get it up, I get it up in the dark,
I make her feel I'm not a holy man
Faster breathing, she's like a shark,
she want's more. I'm gonna give her my cross

Nuns have no fun, They just have their fathers and sons
But I'll give them hell, I never fail
Nuns have no fun, They just have their fathers and sons
But I'll give them hell, I never fail

I get it up, I get it up in the dark,
I make her feel I'm not a holy man
Faster breathing, she's like a shark,
she want's more. I'm gonna give her my cross

C. U. N. T.
that's what you are, you're
C. U. N. T. yeah.
