

# Mercyful Fate, Nuns Have No Fun

Upon a cross a nun will be hanged,  
she will be raped by an evil man  
Knock spikes through her hands,  
things won't come she won't understand

You're a nun you haven't had no fun,  
living your life as virgin queen  
I'm gonna change it and I'll get it done,  
tomorrow you won't be a virgin queen

C. U. N. T.  
that's what you are, you're  
C. U. N. T. yeah

I get it up, I get it up in the dark,  
I make her feel I'm not a holy man  
Faster breathing, she's like a shark,  
she want's more. I'm gonna give her my cross

Nuns have no fun, They just have their fathers and sons  
But I'll give them hell, I never fail  
Nuns have no fun, They just have their fathers and sons  
But I'll give them hell, I never fail

I get it up, I get it up in the dark,  
I make her feel I'm not a holy man  
Faster breathing, she's like a shark,  
she want's more. I'm gonna give her my cross

C. U. N. T.  
that's what you are, you're  
C. U. N. T. yeah.
