

MercyMe, I Would Die For You

And I know that I can find You here
Cause You promised me You'll always be there
Times like these it's hard to see
But somehow I have a peace You're near

And I pray that you will use my life
In whatever way Your name is glorified
Even if surrendering
Means leaving everything behind

My life has never been this clear
Now I know the reason why I'm here
You never know why you're alive
Until you know what you would die for
I would die for you

And I know I don't have much to give
But I promise You I will give You all there is
Can I possibly do less
When through Your own death I live

No Greater love is found
Than of those who lay their own lives down
As sure as I live and breathe
I know what it means to be free
