

# Merle Haggard, Half A Man

If I only had one arm to hold you well better yet if I had none at all

Then I wouldn't have two arms that ache for you

And I'd have one less mem'ry to recall

If I only had one ear to listen to the lies that you told to me

Then I would more closely resemble the half a man that you've made of me

[ guitar - sax ]

And if I only had one leg to stand on

Then how much how much truer picture you'd see

And then I would more closely resemble the half of man that you've made of me

Yeah then I would more closely resemble the half of man that you've made of me
