We stopped living when our love died and I wanta live again  
Our love grew cold a long time ago we both know love is gone  
Yet we stay together we just keep hanging on  
But it's wrong to live together when our love has reached an end  
We stopped living when our love died and I wanta live again  
I wanna be kissed like I used to be thrilled like I used to be  
Loved like I used to be I wanta live again  
Each time we kiss we search for love that used to fill our hearts  
But it's all wrong the thrill is gone we're just too far apart  
We live a life of loneliness each day that we pretend  
We stopped living when our love died and I wanta live again  
I wanna be kissed like I used to be...
