

Merle Haggard, Set Me Free

If you think you've had enough if you think our life's been rough

Why not take your love line off of me and set me free

If you think our love's all wrong if you feel the fire is gone

If that's not what you'd like for me to be set me free

Set me free and let me fly like a bluebird fly in high

Release the chain that's bindin' you to me and set me free

[guitar]

But you're the kind that likes to hold on and on to love till it grows cold

And you know you've held on much too long to me so why won't you set me free

Please just set me free

Set me free and let me fly like a bluebird in the sky

Release the chain that's bindin' you to me and set me free set me free
