SLOWLY BUT SURELY

WITH BONNIE OWENS

Slowly but surely I'm falling in love falling in love with you

Slowly but surely you're winning my heart

And you're winning my heart too

Slowly but surely I'm losing my heart

And I'm losing my heart to you

Slowly but surely my dreams will come true

If I spend my lifetime with you

You're just what I wanted you're just what I needed

You're my every dream come true

My life's growing stronger I can't wait much longer

I'm falling in love with you

Slowly but surely I'm falling in love...

Yes I'm falling in love falling in love with you
