

# Merle Haggard, The Day The Rains Came

Your strange love was what I found  
The day the rains came down  
And I remember we found shelter in the cave  
With the rain clouds up above  
In the darkness we found love  
The day the rains came I became your slave  
As the rains made rivers swell I fell deeper in your spell  
You took my hand and handed me a crown  
If I could just live on with these things I have known  
I know that I'd be glad of what I've found  
As the rains made rivers swell I fell deeper in your spell  
You took my hand and handed me a crown  
But if I could just live on with these things I have known  
I know that I'd be glad of what I've found  
Your strange love was what I found
