

Mest, 2000 Miles

Did i miss your call again?
no, you never called it was a thought inside my head.
did i take the fall again?
i shoulda payed attention to all the words you said.

cause i lost today.
i'm not okay.
heartbreak, a fake smile, and 2000 miles.

i check my caller id.
now there's every number but the one i want to see. i've been falling apart.
since you been gone i don't know where i need to start.

cause i lost today.
i'm not okay.
heartbreak, a fake smile, and 2000 miles.
away she is. i can't live like this.
heartbreak, a fake smile, and 2000 miles [x2].

if i told you that i love you,
would it matter at all?
if i told you that i need you,
would you catch me if i fall? fall

cause i lost today.
i'm not okay.
heartbreak, a fake smile, and 2000 miles.
away she is.
i can't live like this.
heartbreak, a fake smile, and 2000 miles [x2].
