

# Mest, Change (In The House Of Flies) (Acoustic)

I said what is that you're saying today?  
The exact opposite of yesterday  
It's funny how things can change  
And your mind gets rearranged

(Chorus) Tell me what should I do  
Tell me what should I say  
Is there even time for change  
Or is it just one following another

When I look your way I don't know what to say  
'Cause you change your style almost every day  
It's funny the way things went down  
Cuz you're the one still stuck in this town

Chorus

Girl I'm breaking down and I gotta let you know  
To you life is just a fashion show  
That's the way I feel inside  
Makes me laugh at how hard that you try

Chorus

What will you do? What will you say?  
Does it depend on what they're doing that day?  
It just you know used to be somehow you lost yourself

Chorus

I said what is that you're saying today?  
The exact opposite of yesterday  
It's funny how things can change  
When your mind gets rearranged  
Tell me what should I do  
Tell me what should I say  
Is there even time for change?
