

# Mest, Electric Baby

[VERSE:]

There's two loves that I have in this world  
My electric guitar, my electric girl  
I love them both so much and I hope that they see  
Without one of them it wouldn't be me

[CHORUS:]

Cuz I wanna hold you  
That's all I really wanna do  
Cuz I wanna hold you  
That's all I really wanna do

[VERSE:]

Well I would do anything for you  
At the drop of a dime  
Cuz when I feel lost  
I feel find knowing that your mine

[CHORUS:]

Cuz I wanna hold you  
That's all I really wanna do  
Cuz I wanna hold you  
That's all I really wanna do

[BRIDGE:]

I'm alone without you  
I feel lost I dont know what to do  
In this life I won't stay  
If you choose to run away  
Dont run away  
I need you to stay

I've got four words running through my mind all the time  
I've got four words running through my mind all the time  
I've got four words running through my mind all the time

[CHORUS:]

Cuz I wanna hold you  
That's all I really wanna do  
Cuz I wanna hold you  
That's all I really wanna do

Don't run away  
I need you to stay  
So don't run away  
I need you to stay
