

# Mest, Kiss Me, Kill Me

One, two, three  
A tragedy that's built on destiny  
It left you with everything but  
Blood from the knife that I cut your heart out with  
Now relax, close your eyes, what comes next is the surprise

This valentine is doomed  
The smell of blood has filled this room  
If I could do it all again  
I would change most every single thing

I would let you

Kiss me  
Kill me  
Your kiss is torture  
But killing me would be too easy

Our tragedy  
Seems to be killing everything it sees  
Like death itself

This valentine still looms  
In the darkest hour, the killing moon  
If I could do it all again

I would let you

Kiss me  
Kill me  
Your kiss is torture  
But killing me would be too easy

Kiss me (You're all I'm wanting)  
Kill me (This feeling's haunting)  
Your kiss is torture  
But killing me would be too easy

Killing me would be too easy

Your eyes unwind the tragedy of our lives  
My eyes went blind  
Believe when I say

Hell burns bright  
When this night dies

Hell burns bright

Kiss me  
Kill me  
Your kiss is torture  
But killing me would be too easy

Kiss me (You're all I'm wanting)  
Kill me (This feeling's haunting)  
Your kiss is torture  
But killing me would be too easy

Kiss me (You're all I'm wanting)  
Kill me (This feeling's haunting)  
Your kiss is torture  
But killing me would be too easy

Killing me would be too easy

Too easy, too easy, too easy, too easy
