

Mest, Wasting My Time

[VERSE:]

I've waited I'm lonely
You faded I'm jaded
Trying to hold on to
The things that were once mine
There's too much time
Wasting my time

[VERSE:]

My mind goes blank I can't think
Of nothing but you
I've waited I'm lonely
You faded I'm jaded
There's too much time
Wasting my time

[CHORUS:]

And it seems we're miles away (miles away)
When will I see you again
And it seems that I don't want to stay (I don't wanna stay)
When will I see you again

[VERSE:]

And are you thinking about me
Or do you want to be free
Just tell me and I will
Let you go
There's too much time
Wasting my time

[CHORUS:]

And it seems we're miles away (miles away)
When will I see you again
And it seems that I don't want to stay (I don't wanna stay)
When will I see you again

[BRIDGE:]

There's too much time (and all I know)
I'm in a fucked state of mind (I can't let go)
There's too much time (and all I know)
I'm in a fucked state of mind (I can't let go)

[CHORUS:]

And it seems we're miles away (miles away)
When will I see you again
And it seems that I don't want to stay (I don't wanna stay)
When will I see you again
When will I see you again
When will I see you again
