

Metallica, Hardwired

In the name of desperation
In the name of wretched pain
In the name of all creation
Gone insane!

We're so fucked!
Shit out of luck!
Hardwired to self-destruct!

On the way to paranoia
On the trip to borderline
On the way to great destroyer
Do design!

We're so fucked!
Shit out of luck!
Hardwired to self-destruct!

Once upon a planet burning, once upon a flame
Once upon a fear turning all in vain
Do you feel that hopeless feeling?
Do you comprehend?
Do you feel it terminating in the end?

We're so fucked!
Shit out of luck!
Hardwired to self-destruct!
Hardwired to self-destruct!
Self-destruct! /3x
