Metallica, The Four Horsemen (Live)

By the last breath of the fourth winds blow Better raise your ears The sound of hooves knocks at your door Lock up your wife and children now It's time to wield the blade For now you have got some company

The Horsemen are drawing nearer On the leather steeds they ride They have come to take your life On through the dead of night With the four Horsemen ride Or choose your fate and die

You have been dying since the day you were born You know it has all been planned The quartet of deliverance rides A sinner once a sinner twice No need for confession now Cause now you have got the fight of your life

The Horsemen are drawing nearer On the leather steeds they ride They have come to take your life On through the dead of night With the four Horsemen ride Or choose your fate and die

Time

Has taken its toll on you The lines that crack your face Famine Your body it has torn through Withered in every place Pestilence For what you have had to endure And what you have put others through Death Deliverance for you for sure There is nothing you can do

So gather round young warriors now And saddle up your steeds Killing scores with demon swords Now is the death of doers of wrong Swing the judgment hammer down Safely inside armor blood guts and sweat

The Horsemen are drawing nearer On the leather steeds they ride They have come to take your life On through the dead of night With the four Horsemen ride Or choose your fate and die
