

Metallica, The Outlaw Torn

(Hetfield / Ulrich)

And now I wait my whole lifetime for you
And now I wait my whole lifetime for you

I ride the dirt, I ride the tide for you
I search the outside, search inside for you

To take back what you left me
I know I'll always burn to be
The one who seeks so I may find
And now I wait my whole lifetime

Outlaw of torn
Outlaw of torn
And I'm torn

So on I wait my whole lifetime for you
So on I wait my whole lifetime for you

The more I search, the more my need for you
The more I bless, the more I bleed for you

You make me smash the clock and feel
I'd rather die behind the wheel
Time was never on my side
So on I wait my whole lifetime
Outlaw of torn
Outlaw of torn
Outlaw of torn
And I'm torn

Hear me
And if I close my mind in fear
Please pry it open
See me
And if my face becomes sincere
Beware
Hold me
And when I start to come undone
Stitch me together
Save me
And when you see me strut
Remind me of what left this outlaw torn
