Metallica, Whiplash (Live)

Late at night all systems go
You have come to see the show
We do our best You're the rest
You make it real you know
There is a feeling deep inside
That drives you fuckin' mad
A feeling of a hammerhead
You need it oh so bad

Adrenalin starts to flow You're thrashing all around Acting like a maniac Whiplash

Bang your head against the stage Like you never did before Make it ring Make it bleed Make it really sore In a frenzied madness With your leather and your spikes Heads are bobbing all around It is hot as hell tonight

Adrenalin starts to flow You're thrashing all around Acting like a maniac Whiplash

Here on the stage the Marshal noise Is piercing through your ears It kicks your ass kick your face Exploding feeling nears Now is the time to let it rip To let it fuckin' loose We are gathered here to maim and kill Cause this is what we choose

Adrenalin starts to flow You're thrashing all around Acting like a maniac Whiplash

The show is through the metal is gone It is time to hit the road Another town Another gig Again we will explode Hotel rooms and motorways Life out here is raw But we will never stop We will never quit Cause we are Metallica

Adrenalin starts to flow You're thrashing all around Acting like a maniac Whiplash
