

Mew, I Should Have Been A Tsin-tsi

When I call you up
Always think twice
I've been gathering
The eminent flies
There are times when I
Call you up twice
No more saying what
With all of your ties

I should have been a tsin-tsi for you
I should have been a tsin-tsi for you
I should have been a tsin-tsi for you
I should have been a tsin-tsi for you
