

Mew, Satellites

.. fast
Holding on the passive ways
You could fly

I like you real silver light
O.., fast
We could better

I wanna be in a ...
I wanna be with...

.. fast
Holding on the passive ways
You could fly
On my owe electricity

I want you carry me
No, no advise..
To repair

I'd rather be a Satellites
I was thinking about before
I'd rather be a Satellites
I was thinking about before
