

Mew, The Zookeeper's Boy

Are you my lady, are you?
Are you my lady, are you?
If I don't make it back from the city
Then it is only because I am drawn away
For you see, evidently there's a dark storm coming
And the chain on my swing is squeaking like a mouse
So are you my lady, are you?
So are you my lady, are you?
The rain, the rain, the rain is falling down
The cars remain
You're tall just like a giraffe
You have to climb to find its head
But if there's a glitch
You're an ostrich
You've got your head in the sand
In a submersible I can hardly breathe
As it takes me inside, so the light sings
Answer me truthfully, do the clouds kiss you?
With meringue-coloured hair, I know they cannot
So are you my lady, are you?
So are you my lady, are you?
The rain, the rain, the rain is falling down
The cars remain
Santa Ana winds bring seasickness
Zookeeper hear me out
How dare you go?
Cold in the rain
Tall just like a giraffe
You have to climb to find its head
But if there's a glitch
You're an ostrich
You've got your head in the sand
Are you my lady, are you?
Are you my lady, are you?
The rain, the rain, the rain is falling down
The cars remain
I could not be seen with you
Working half the time and looking fine
In cars re-made
