

Mia, Bingo

Can you keep a secret
From them other people
If I tell you 'bout wha-gwan?
And would you let me know
If I forget the secret
Took my eye off of the Ball?
Cause Bingo, now I'm hitting the 6 [x4]
I know what's going on
I know how you going on
I got the ra ra
Go ahead and throw the ball
I don't be running at all
I got my own goal
I stand in one place
And make sure I just hit the ball
Can you keep a secret
From them other people
If I tell you 'bout wha-gwan?
And would you let me know
If I forget the secret
Took my eye off of the Ball?
Cause Bingo, now I'm hitting the 6 [x4]
You drink too much Rum
You make me wanna run
I make no assumption
Ass will get the hump on
Wha's the point of talkin' gun?
I'm done! Blitz and bombed
That what I don't run
For the sake of havin' fun
Can you keep a secret
From them other people
If I tell you 'bout wha-gwan?
And would you let me know
If I forget the secret
Took my eye off of the Ball?
Cause Bingo, now I'm hitting the 6 [x4]
Do you know what is on?
Do you know what is on?
Do you know how this beat is made in fucking London, Doc? [x2]
Can you keep a secret
From them other people
If I tell you 'bout wha-gwan?
And would you let me know
If I forget the secret
Took my eye off of the Ball?
Cause Bingo, now I'm hitting the 6 [x4]
