

# MiC LOWRY, Oh Lord

Turn the lights out for me  
Hard to hear hard to see  
Oh lord

Not afraid of the trip  
In a pool filled of sin  
Oh lord  
Oh lord

She said  
Don't u run from me while I take it off  
Take it off Take it off  
Tell me your name while I break u off  
Break u off  
While I break u off  
Don't u run from me while I take it off  
Take it off Take it off  
Tell me your name while I break u off  
There's just way to many temptations  
Oh lord  
I can feel it coming in the air tonight \* (frazza PHILa COLLINSa)  
Oh lord  
When the rhythm hits I'm not afraid to die  
There's just way to many temptations  
Oh lord  
There's just way to many temptation  
Oh lord, oh lord, oh lord  
There's just way to many temptation  
Feel my pulse as I breathe at 100 and 3  
Oh lord, oh lord  
I'm not afraid of the trip  
In a pool filled with sin
