

Micah P. Hinson, Come Home Quickly, Darlin'

Come home quickly darling, come home quickly darling
Come home to me, come home to me,
Before I get so alone
Can't you see

Come home quickly darling, come home quickly darling
Come home to me, come home to me,
Before I get so alone
Won't you see

Come home quickly darling, come home quickly darling
Come home to me, come home to me,
Before i get so alone
Won't you see

Come home quickly darling, come home quickly darling
Come home to me, come home to me,
Before I get so alone
Can't you see
